CAREER OBJECTIVE

Dedicated Web Developer with expertise in creating responsive and user-friendly web applications using HTML, CSS, JavaScript, PHP and Laravel. Proficient in database management and testing, with a passion for delivering scalable and high-quality solutions. Seeking to leverage my skills to contribute to innovative projects and drive organizational success.

PROFESSIONAL EXPEIENCE

SATHI SYSTEM PVT LTD   2023 OCT – 2024 NOV
Designation: **PROGRAMMER**
Developed responsive web applications with HTML, CSS, and Bootstrap for optimal user experience. Implemented interactive functionality using JavaScript and jQuery. Utilized PHP and Laravel for backend solutions, ensuring scalable, efficient applications. Managed MySQL databases to maintain data integrity and optimize performance. Conducted rigorous unit testing for server-side code and queries to uphold code quality and functionality.

SENCHOLA TECHNOLOGY   2023 AUG – 2023 NOV
Designation: **QUALITY ASSURANCE INTERN**
Collaborated closely with team leads and testers to design test scenarios and prepare comprehensive test cases. Managed defect reporting and tracking, effectively communicating issues and resolutions within the team. Ensured timely delivery of high-quality software by coordinating testing processes and actively participating in the quality assurance lifecycle.
